ABOUT US

Welcome to TBL Kids, a children's ministry, passionate about helping kids discover their true potential in God. Our founder, Mrs. Lydia Agyei, started online sessions in 2021 to teach children about God's love in unforgettable and fun ways that drew them closer to God and to have a deeper knowledge of Christ and fellowship with the Holy Spirit.

Today, we are honored to add to the teaching of children, departments that offer Community Projects, Outreach Programs, and Empowerment Initiatives to support children from all backgrounds.

Our Medical Team (Spearheaded by Dr. Delasy Gbekor of Twelve In Twelve) and Lab Access screened about 145 children in 3 orphanages ie. Nyamedua Children's Home- Nana Krom, Echoing Hills Village-Madina and Chosen Children Centre- Darkuman Accra.

SICKLE CELL CAMPAIGN IN ORPHANAGES 2024

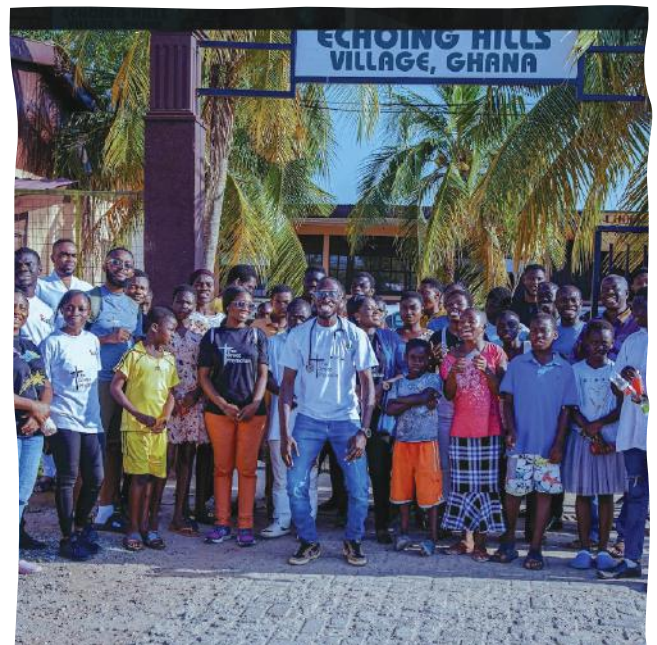

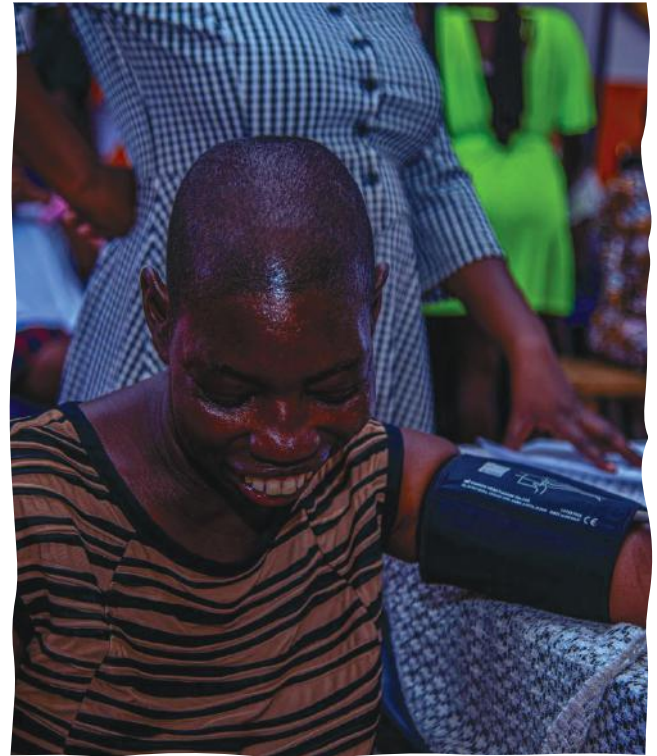

SICKLE CELL CAMPAIGN IN ORPHANAGES 2024

Impact Of The Campaign

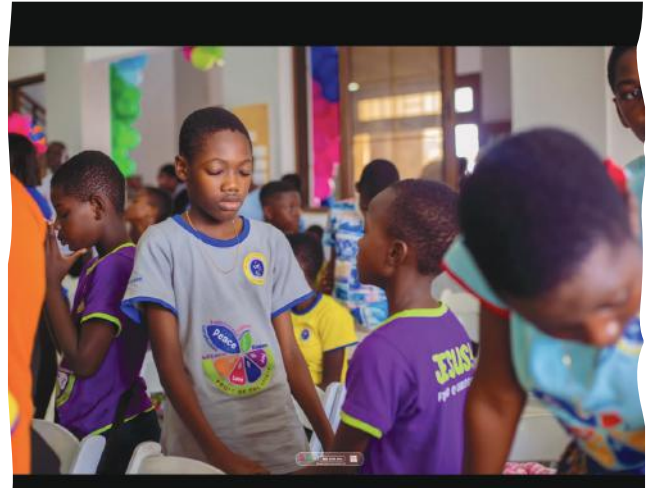

- 🎗 About 145 children now know their genotypes.
- 🎗 The social workers of the orphanages affirmed that the exercise was a timely intervention since those records were required to be placed on each child's file for future reference in case of adoption or foster care.
- 🎗 Those who tested sickle cell positive were given folic acid and multivitamins.
- 🎗 Those who had infections were also treated.

Impact Of The Sickle Cell Campaign

- All Children and Care Givers received free health and diet talk.
- Our Dietician drew a meal plan for Nyamedua Children Home and Chosen Children Centre.
- Care Givers and Children received food and snacks.

BLESSED KIDS CONVENTION 2024

Blessed Kids Convention 2024 took place at El- Shaddai Presby Church, Adjringannor on 12th October, 2024. We welcomed more than 700 children and about 80 adults. The event was very successful by the grace of God. Over Thirty (30) children gave their lives to Christ. Every activity at the event ie. Praises & Worship, Poetry Recitation, Character Study Presentation on Abraham, Scripture Games, Prayer Flames and our Kids Theatre Production, 'Ato & Ebo,' made a significant impact on all Attendees both young and old. BKC 2024 was a wonderful experience for the children and lessons gleaned from the Kids Theatre were invaluable.

TBL KIDS MEDICAL OUTREACH/KID TO KID EVANGELISM & COOK & FEED DEPRIVED KIDS

With the magnanimous support of our Partners and Donors, TBL Kids Medical Missions / Kid To Kid Evangelism was held in collaboration with Twelve In Twelve LGB. and the Church Of Pentecost (Otsenkorang District) at Swedru Otsenkorang village on 16th November, 2024.

The team comprising of Ten (10) Facilitators, about 30 Children, some Parents, a Partner from MultiThread ICT Solutions, two Doctors and Ten Nurses shared the love of Christ with over 700 children in the village.

TBL Kids were trained to share the Gospel with the children while the Medical Team attended to the medical needs of about 300 children and adults.

TBL KIDS MEDICAL OUTREACH KID TO KID EVANGELISM & COOK & FEED DEPRIVED KIDS 2024

The Medical team administered deworming treatments to about 300 children, provided care for their various health issues, and dispensed medications as prescribed by the Doctors. Multi-Thread ICT Solutions donated cash for the purchase of drugs and other medical equipment for the outreach.
